

Graphic Design Internship

Reporting to: Product Specialist

Hours: Full Time

Start: January 2019

Duration: Maximum 3 months

Location: Brussels, Belgium

Optimy has developed an innovative and intuitive Software as a Service (SaaS) that allows organisations to better manage their sponsorship, grants and community investment. After 6 years, Optimy records more than 230 customers across 6 continents. More than 98% of Optimy users renew their licence each year, including big names such as BMW, Carrefour, Johnson&Johnson, L'Oréal, Vodafone, Holcim and Volkswagen.

Optimy aims to become the leader worldwide in its niche market and is looking for a Graphic Design Intern to take part in organising our processes

Please note that we will accept only applicants who can provide us with an internship agreement from their university.

Your Mission:

- Design and deliver for the UI
- Design and deliver for the help center
- Design and deliver for all other related product items
- Assist in the development of the UX
- Translate UI mockups into HTML/CSS
- Create illustrations, visuals, infographics, data visualisations etc

Your Profile:
