

## Production planner (m/f/d)

### in Hamburg

Orizon GmbH is your capable partner when it comes to standing out from the crowd on the labour market. With our individual advice you will find the job that suits you best. Being among the top ten German HR service providers, our company's range of services includes the personnel secondment and placement of both skilled workers and executives of all professional fields. Orizon's "Aviation" unit is the specialist for personnel secondment in the aerospace sector and – thanks to its excellent industry experience – offers you interesting perspectives in this field. You have an appropriate qualification and are interested in working in the aerospace sector? Or you already have gained experience in aerospace? Then, we are exactly the right partner for you.

#### Your responsibilities:

You are acting as a Production planner (m/f/d) for our prestigious client Airbus Operations in Hamburg.

- New and series planning of assemblies as well as the optimization and further development of the production processes
- Creation of production plans, manuals, calculations and the processing of design Query Notes
- Implementation of design documents in production orders, in consideration of technical instructions as well as design consulting and drawing approval
- Cooperation with different interfaces (production, engineering and quality)
- Processing of complaint messages

#### Your profile:

- Completed studies in aircraft construction, engineering, mechanical engineering or comparable
- First experience in production engineering, construction, production planning and -controlling
- Experience in structure assemble would be a plus
- Good knowledge in MS Office and first user experiences in TiCon and SAP/PDA
- Good knowledge in project management
- Good German and English, spoken and written
