

Quality Manager (m/f/d)

in Taufkirchen

Orizon GmbH is your capable partner when it comes to standing out from the crowd on the labour market. With our individual advice you will find the job that suits you best. Being among the top ten German HR service providers, our company's range of services includes the personnel secondment and placement of both skilled workers and executives of all professional fields. Orizon's "Aviation" unit is the specialist for personnel secondment in the aerospace sector and – thanks to its excellent industry experience – offers you interesting perspectives in this field. You have an appropriate qualification and are interested in working in the aerospace sector? Or you already have gained experience in aerospace? Then, we are exactly the right partner for you.

Your responsibilities:

You are acting as a Quality Manager (m/f/d) for our prestigious client Airbus Defence and Space in Taufkirchen.

- Defining and managing engineering related quality aspects to foster prevention and improvement
- Developing quality mindset and behaviour
- Deploying quality processes, standards and tools applicable for engineering
- Promoting quality best practices and methodology
- Ensuring and providing evidence of process adherence in engineering, according to the selected standards
- Implementing quality performance management system e.g. audits, KPI, quality gates, yearly performance reviews

Your profile:

- Completed studies in engineering or comparable
- First experience in engineering and quality management
- Good knowledge in MS Office
- Knowledge in the field of software development
- Business fluent English, spoken and written
- German and French are a plus
