

UI/UX Design Internship

Reporting to: IT Manager

Hours: Full Time

Start: January 2019

Duration: Maximum 6 months

Location: Brussels, Belgium

Optimy has developed an innovative and intuitive Software as a Service (SaaS) that allows organisations to better manage their sponsorship, grants and community investment. After 6 years, Optimy records more than 230 customers across 6 continents. More than 98% of Optimy users renew their licence each year, including big names such as BMW, Carrefour, Johnson&Johnson, L'Oréal, Vodafone, Holcim and Volkswagen.

Optimy aims to become the leader worldwide in its niche market and is looking for an UI/UX intern to take part in organising our processes

Please note that we will accept only applicants who can provide us with an internship agreement from their university.

Your Mission:

- Gathering and evaluating user requirements, in collaboration with Product Managers and Engineers
- Complete UI/UX improvement iteration over the new interfaces being developed
- Propose new ideas or rethink existing features to meet present UX standards
- Use your html/css/javascript skills to implement/change the look of those features

Your Profile:

- You are inquisitive, proactive and a self-starter
- You have knowledge of UI/UX affinity
- You are organised and detail-oriented
- You possess strong interpersonal, analytical and organisational skills
- You can start in January 2019
- An internship agreement is provided by your university

The Offer:

- A real job experience, you won't stand at the copy machine!.
- A young, dynamic and international-minded working atmosphere.
- The opportunity to be part of a fast-growing project.

As a contribution we grant 300€/month to all foreign and Belgian students.

Send your CV to internjobs@optimy.com
