

Work at the forefront of automotive innovation with ZF, one of the world's leading automotive suppliers.

## Internship: IT Knowledge, Training and Communication (m/f)

For our location in Friedrichshafen (ZF Group headquarters) we are continuously looking for dedicated, motivated and responsible students for the Internship: IT Knowledge, Training and Communication  
Req Id: FRD/PRAKT/RE\_P/FIGP3 1790

### Your tasks at Internship: IT Knowledge, Training and Communication (m/f):

- Preparation of meetings and workshops
- Work on concepts with your study background for a practical hands-on implementation
- Support in production of digital learning material, videos, podcasts etc.
- Depending on your skills and preference we offer the possibility to take responsibility in projects e.g. preparation of workshops, moderation of communities of practice, support in the IT-blog

### Your profile at Internship: IT Knowledge, Training and Communication (m/f):

- You are studying economics, social sciences, computer science, information or media technology in your master's degree
- You are thrilled by the chances digitization brings to companies
- You have good social skills and you love to work with people. You like to take the responsibility and work in a team as well as on your own.
- You are experienced in working with MS office and you have good verbal and written communication skills

Become a part of our ZF-Team and apply [here](#) please, with complete and informative application documents (a tabled CV, a cover letter and certificates), including your salary requirement, as well as your earliest possible starting date.

ZF is a global leader in driveline and chassis technology as well as active and passive safety technology. The company has a global workforce of around 146,000 with approximately 230 locations in some 40 countries. ZF is one of the largest automotive suppliers worldwide.
