

Pemberton Asset Management Group

Summer & Off-Cycle Internships 2021

About Pemberton

Pemberton is a leading European asset management group focused on private debt and direct lending to European mid-market companies, established to capture the opportunities created by the changing European financing market. The firm, which is 40% owned by Legal & General, manages over €10 billion in committed capital and is currently raising further capital from institutional investors for several direct lending funds and other debt strategies. Website: <http://www.pembertonam.com/>

Details of the Opportunity

Pemberton is looking for a bright, driven individual to work alongside its Portfolio Management, Origination, Credit and Investor Relations teams on a range of assignments that would encompass the following:

- Working with the Portfolio Management, Credit and Origination teams on new deal opportunities including, but not limited to, responsibilities such as cash flow modelling, writing credit papers, researching competitor companies and evaluating due diligence materials. There will also be ongoing monitoring of portfolio companies and working on refinancing and acquisitions of portfolio companies as they occur.
- Working alongside the Investor Relations team to help raise capital for the Fund strategies. This will include responsibilities such as providing timely and accurate information for our investors, fund and investor pitchbook preparation and writing and editing detailed information requests that we submit to prospective investors in our funds. Furthermore, there will be an element of quarterly reporting work that will require the candidate to have a good financial background.
- Working on ad-hoc projects and new fund strategies. There will be a variety of new projects and special assignments that are required to be staffed and we fully expect the chosen candidate to be involved in some of these projects.

The chosen candidate will be exposed to different areas within the firm and would expect to be fully involved in the day-to-day discussions and contribute to the team dynamic.

Contract Type: 3-month internship

Contract Hours: Full Time

Compensation: Competitive

Location: 52 Grosvenor Gardens, London, United Kingdom. Ideally, we want the winning candidate to work in the London office to enjoy the Pemberton experience, however given the current restrictions on movement, the firm will be flexible on the candidate's location.

Requirements: Excellent academics, fluent written and spoken English. Fluency in Italian, German or Spanish is highly valued.

If you are interested in being considered for this role, please submit your CV and a cover letter to graduate@pembertonam.com by December 4th, 2020. You are encouraged to apply early as applications will be reviewed on a rolling basis. Please include "NAME – Internship Application" in the email subject.

At Pemberton, we believe it socially and commercially imperative to ensure the rich diversity of available talent in society is truly represented in our business.
