Iberia Women STEM Event

Let's grow  
together!

July 8 and 12, 2021

A virtual two-day workshop where you will have the opportunity to meet distinctive Portuguese and Spanish Women students with a STEM background. You will not only learn more about McKinsey and solve a Business Case which reflects what we do, but also take time to reflect on your personal development and discover how to build real confidence. This a unique opportunity to meet other women with similar interests to yours and connect with our McKinsey colleagues in an informal setting. You will have a lot of fun!

If you are finishing your studies in 2022 or 2023, submit your application before June 6, 2021: <http://www.mckinsey.com/IBOWomenStem>
